Getting back to the hotel

We will be spending the evening at a lovely (secret) location a bit away from the hotel. We have the venue until midnight, and a transport is booked to get all of us back to the hotel at that time.

You want to stay until the very end (midnight)? Great, no further action needed!

You want to leave a bit earlier? You can always do so, either (1) by taking an earlier transport, or (2) by walking back through the vineyards (4km, 1h)

- (1) We have pre-booked a 'mobility on demand'-service to bring you straight back to the hotel, several times throughout the night (10pm, 11pm, 11:30pm). If you want to take one of them, simply put your name down on the list so that we have an overview over who is where and whether we need to order additional rides. A shuttle will take you from the event location to the foot of the hill, where the car will pick you up.

If you prefer to leave anytime in between, simply let us (German CPs) know and we will arrange a ride for you.

(If you want to stretch your legs, you can also walk downhill to the car park where the car will pick you up, it is a 20 min walk through the forest – simply click on this link and follow the maps instructions which will bring you to the car park: <https://maps.app.goo.gl/UHHzthJUYtSAEu7c8>).

- (2) If you want to stretch your legs a bit more (or perhaps launder some money under cover of night), you can also walk back to the hotel. Simply click on this link and follow the path: <https://maps.app.goo.gl/EPHWtnvMfquwX3sy7>.

It is a 4km trail, 1h, flat and mostly straightforward through the vineyards. Be aware that the majority of the path is not lit, so carry a flashlight or use your phone's flashlight. We have some flashlights and cables to charge your phone at the venue, if needed.

Getting back to the hotel – for your orientation

If you decide to walk all the way (until the hotel) or some of it (until the car park where a car will pick you up), here is a map for your orientation.
